

Dear Preschooler,

My name is Ms. Karen. I have heard you are going to be in my preschool room. I am so excited. I think we will have a lot of fun.

Ms. Pam is also going to be with us. She and I have been working hard to get the room ready for you and the other preschoolers.

Could you please bring a small item, book, or picture in your backpack on the first day of school to show us during sharing time?

I hope I get to meet you and your parents on Tuesday.

Bye for now,

Ms. Karen
